Dedication

Sr. Frances Therese

In her four years as principal of Newman High School, Sister Frances Therese has been many things to many people. She has been a friend to all who have passed through the doors of her office. She has been a constant intermediary between students and faculty, bringing them together in a spirit of unity. Sister's warm, friendly manner has made her a very important and much-loved member of the Newman family. Through her efforts, Newman High School has come much closer to achieving the objectives of a Christ-centered institution. It is with great pride that we dedicate to you, Sister Frances Therese, the 1962 CoMary.

Pardon the interrupti on . . . .

8th grade CHEERLEADERS really yell!!
Here they are Marie Cesarek, Marilyn Hedrick, Bev Shultz, Sandra Buchmeier, and Linda Dondero.

Here we see the Y.C.S. Federation President and Student Council President in the "rough."

"LET'S HAVE A PARTY".
That's what these boys seem to be saying. Know who they are? Looks like Fred Norris, Tom Finnegan, John Grennan, John Kiefer, and Jimmy Allen.

Looks like this years graduating class were great party goers.
Recognize anyone?

Pose pretty now Marie.

Junior year is a year of increased activity.

Under the leadership of their class officers the Juniors sponsored many activities including several successful dances. These activities aided them in putting on a beautiful junior-senior prom. The dances helped financially, but even more important was the help given by the class sponsors, Mr. Foust, Sr. Mary Rhodes, and Mr. Fuhs.

In the Spring the Juniors ordered their class rings. This was an important event because it marked the beginning of their life as seniors and leaders of the school.

Sophomore year is a good year for growing - growing not only in age, but also in grace and wisdom. Through daily academic and spiritual activities the sophomores begin to develop into mutual adults.

As a class and under the capable guidance of their sponsors the class of 1964 put on both the Christmas and the Easter Dances, plus many other various mixers.

CLASS OFFICERS

From left to right . . . . .

Gloria Garland - Vice-President

Mike Mullen - President

Tom Loos - Treasurer

Susie Grennan - Secretary

The class of 1965 is the youngest and largest class at Newman. The class's primary purpose is to become acquainted with the teachers and upper classmen and to lay a firm foundation for the years ahead.

The officers for this years freshman class were not chosen until early November and since the Homecoming festivities call for the Vice-Presidents to represent their classes a special representative had to be chosen. The representative was Susie Grennan.

Class activities were limited the first year of high school. However the Student Council did sponsor several welcoming activities.

MICHAEL MOHR--FEDERATION PRESIDENT

Mike Mohr (Class of 1962) is the fourth Newmanite to be appointed to the Federation Presidency in the last four years. N edless to say a great many hours have been spent working for the Y.C.S.

However special recognition should be given to Mike because his work has not ended. He has decided to work for the Y.C. S. in the field for two years. This is a sacrifice for him but it is one he makes freely. Although college will be put off for this time we realize that it will be an education in itself.

Here Sister Patrick Marie, the Sodality moderator is surrounded by the offi-cers..

Father Bonnike and the rest of the faculty say the Advent prayers with the entire student body. Both the Advent Ceremonies and the May Crowning ceremonies are Sodality sponsored.

C. C. D.

We cannot leave out a very important group, The Confraternity of Christian Doctrine. This group under the guidance of Fr. O'Neil helps many who do not share our advantage in going to a Catholic school. They help by teaching or baby-sitting for women who teach the public school students. There is such a small percentage of youngsters who are able to attend a Catholic school that some provision must be made for those who can't, this is the job of the C.C.D.

TO THE MUSIC DEPARTMENT

Throughout this school year of 1961-62 the Choral and Band have presented TOGETHER many wonderful programs. This togetherness has brought much acclaim to Newman as not only a fine school but as a talented school. However we realize that this recognition does not come without work, a great deal of work. This work comes from not only Mr. Kroeger and Mr. Scofield but also from the students. We wish to thank the entire Music Department for

From the Star Spangled Banner at the opening football game to the school song which ended the Honors Assembly, the NCCHS Band played an important part in our school activities.

Led by Mr. Schofield, the band performed intricate marching routines at every football game. Forming the school's initials, depicting a football which moved downfield through the Comet goal posts at the Homecoming Ceremonies, which required long hours of practice.

While the band's peppy and novel numbers at pep assemblies and football games made them an invaluable asset to the cheering section, their concerts given at Christmas and in the spring, best displayed their ability to play classical music as well as the marches and other popular types.

Besides attending at the Homecoming and the Memorial Day parades, the band marched in various civic affairs in Sterling and Rock Falls.

Newman has completed its first inter-school wrestling competition with a record of 2 wins and 9 losses. Commet wrestlers won over Polo 31-18, but in the return match were defeated 37-13. The last meet was a 27-19 success, preceded by losses to Prophetstown, Savana, Rock Falls, Sterling, Fulton, and Comanche.

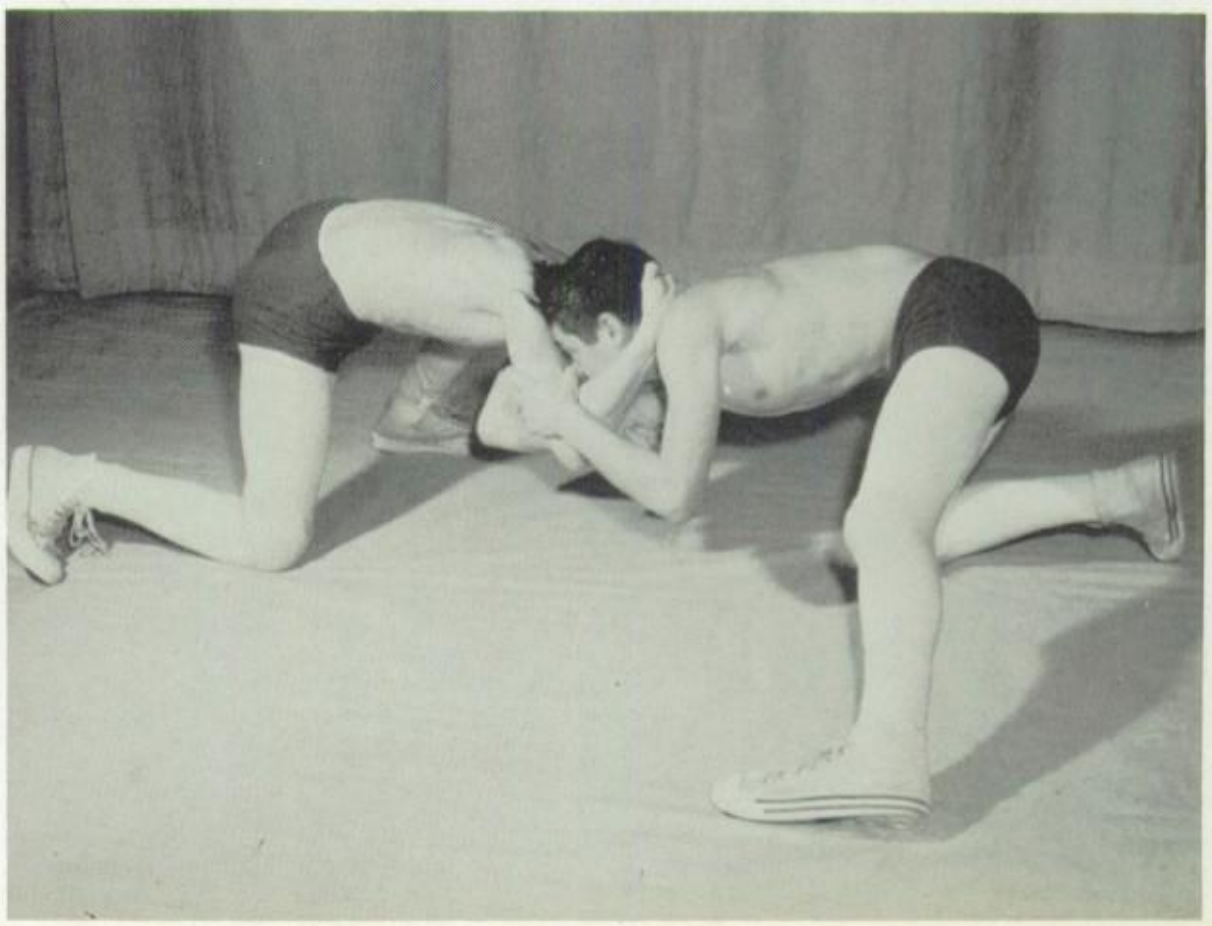
Phil Devers tries to pin Ed McDonnell.

For the first time in the history of Newman Central Catholic High School Wrestling has become part of the athletic curriculum. The student response has been great for a first year sport.

The record of this team has not been exceptionally good, however that can well be expected of a first year team. It is admirable that, although the team's record was not particularly good, the spirit never dwindled. We wish to thank the team and their coach, Mr. Scheck.

Two of the boys from Newman's wrestling team, wrestle during practice after school hours.



Varsity Track

BOTTOM ROW: Bob Bauer, Mike Dawson, Royal Gonzalez, John Phalen, Larry Skala, Ed Martinez, Joe Bybee. TOP ROW: Coach Kennedy, Bob McDonnell, Phil Paone, Bob Regan, Jim Freil, Denny Drew, Ron Faber, Coach Scheck.

The 1962 track season was a successful one, this year for both Newman teams. Although the varsity gained but one victory (at Fulton), many juniors on the team gained experience, and when combined with the promising sophomores next year should produce an excellent varsity squad. The Newman sophomore team finished the season with a 6-1 record.

Father Bonnike says: "The prospects for Newman track looks good. It is hoped that work will now begin to provide permanent track facilities for our eager track enthusiast."
